Ayer's Sarsaparilla

Is widely known as one of the most effectual remeered for clean-ing the system and purifying the blood. It has

stantly growing reputation, based on its intrinsic virtues, and sustained by its remarkable cures. So mild as to be safe and beneficial to children, and yet so searching as to effectually purge out the great corruptions of the blood, such as the scrofulous and syphilitic contamination. Impurities or diseases that have larked in the system for years soon yield to this powerful anti-lote, and disappear. Hence its wonderful cures, many of which are publicly known, of Scrofula, and all scrofulous diseases, Ulcers, Eruptions, and cruptive disorders of the skin, Tumora, Blotches, Boils, Dimedia. Pimples, Postules, Sores, St., Anthony's Fire, Rose or Fry-sipelas, Tetter, Salt Rheum, Scald Head, Ringworm, and inscalt Head, Ringworm, and in-ternal Ulcerations of the Uterus, Stomach, and Liver. It also cures other complaints, to which it would not seem especially adapted, such as Drop-sy, Dyspepsia, Fits, Neuralgia, Heart Disease, Female Weak-ness, Debility, and Leucorrhova, when they are successful.

It is an excellent restorer of health It is an excellent restorer of health and strength in the Spring. By renew-ing the appetite and vigor of the diges-tive organs, it dissipates the depression and listless languor of the season. Even where no disorder appears, people feel better, and live longer, for cleansing the blood. The system moves on with renewed vigor and a new lease of life.
